

YOUNG CAREGIVER

BINGO

ARE YOU A CAREGIVER?

Live in a multi-generational home

Provide emotional support to someone else

Coordinate medical care for someone else

Provide financial support to someone else

FREE
Caregiving touches everyone's lives

Lack time for academics, hobbies, and self-care

Have reduced work hours to provide unpaid care

Family member has a chronic condition

Often feel like no one understands your situation

If even one of these applies to you, you may be an informal caregiver.

You are **NOT** alone. Support is available.
